

This is an alphabetical list of communities & the Special Recreation Cooperative(s) that provides services for that area.

Park districts and municipalities have the authority to form recreation cooperatives.

Park district boundaries may NOT be coterminous with the municipality. A call to your nearest cooperative will provide you with service information.

The 33 cooperatives represent:

158 park districts, 44 municipalities, 1 township

If a City or Village is not listed, contact a local area that is listed and ask about services for your area.
